While our chapter takes great pride in providing a home for those in agriculture, our brotherhood encompasses a wide range of majors ranging from business to exercise science!

Unlike other fraternities, AGR utilizes its Brotherhood Program to ensure that there are no dominant or subservient relationships among brothers. If it is required of a freshman, it is required of a senior. During the year, we actively participate in a plethora of social events and sorority mixers and are an ebullient presence on campus! In recent years, the interfraternity council recognized AGR with both the Outstanding Community Service and Chapter of the Year awards.
