INTRODUCTION

Greetings

Welcome to the Fraternity and Sorority Life community at Truman State University!

Founded in 1914, our community brings students together with the goal of empowering each member to reach their full potential. Guided by our four core values—growth, leadership, scholarship, and unity—we work to create meaningful opportunities for connection, support, and development.

Fraternity and Sorority Life represents 18% of undergraduate women and 22% of undergraduate men at Truman. More than just numbers, this community is a welcoming space for all students. Rooted in our commitment to academic excellence and service, members of Fraternity and Sorority Life collectively complete thousands of service hours each year, raise funds for a variety of philanthropies, and provide academic resources and encouragement to one another.

As a unified community, we strive to be recognized as a group of hardworking, forward-thinking leaders. We believe that any Truman student can find a home here: one where they can form lasting connections and contribute positively to both campus life and the world beyond.

Frequently Asked Questions

Q: How will being a part of a fraternity or sorority benefit my student?

A: Joining a fraternity or sorority can help enhance your student's personal and professional development. Areas where students see the most growth include: study skills, time management, supportive relationships, leadership positions, and opportunities for involvement. Fraternities and Sororities also have an active alumni network that can assist your student in making important professional connections.

Q: How will being in a fraternity or sorority impact my student's grades?

A: All chapters recognize the importance of academic excellence and prioritize each member's role as a student above all of their other activities on campus. All chapters have GPA requirements and most incorporate the use of study hours/groups to help their members stay focused on their coursework. Additionally, several organizations have scholarships that are available at both the national and local level to reward academic success. For specific chapter GPA information, check out the Fraternity and Sorority Life grade report. This document is released every semester and can be found on the Fraternity and Sorority Life website under the "Our Organizations" tab.

Q: Will my student have to live in a fraternity/sorority house?

A: There are several housing options for students to explore. Many of the IFC Chapters have houses located around Kirksville. These properties are privately owned and operated. None of the Panhellenic or NPHC chapters have official houses.

Each Panhellenic chapter has a designated space in Blanton-Nason-Brewer (BNB) which is managed by Residence Life. In addition to members living in close proximity, each chapter has a chapter room to utilize.

While most organizations do not require living in an official house or in BNB, chapters prioritize filling these spaces. Potential members should check with individual chapters about housing requirements.

Q: What about hazing?

A: All our chapters are subject to anti hazing policies and laws at the federal, state, and local level. Hazing includes but is not limited to any activity that subjects members to harassment, ridicule, intimidation, physical exhaustion, abuse or mental distress. Hazing is not tolerated. Any chapter that violates these hazing policies are held accountable for their behavior and are subject to disciplinary actions.

Q: How much will it cost?

A: Dues range from organization to organization. The first semester is often the most expensive as one-time fees are frequently included in first semester dues. This information is provided to students going through the recruitment and intake processes so they can have that information while deciding what organization they would like to join. Average council prices per semester are:

- IFC New Member dues range from \$250–\$650, averaging \$470
- IFC Active Member dues range from \$375–\$1320, averaging \$550
- Panhellenic New Member dues range from \$551–\$700, averaging \$627
- Panhellenic Active Member dues range from \$325–\$720, averaging \$450
- NPHC dues vary per chapter and can be requested

Q: If my student is considering joining a fraternity or sorority, what are some helpful tips for me to know?

1. Talk about values – All fraternities and sororities are values based organizations. These are the foundations for their operations and what members strive to uphold. As a potential member, individuals will need to determine where their values can be supported and enhanced.

2. Ask questions – We encourage families to talk about academic needs, time commitments, finances, philanthropic work, and opportunities for leadership. Many students are caught up in the excitement of going through recruitment and forget to ask the core questions. Your thoughts often help them make better, more informed decisions.

3. Be supportive – Each student needs to explore and determine what personal and professional network is going to work best for them. Ultimately, our goal is that your student is connected in an organization where they can learn, grow and thrive.

4. Inquire how you can be involved – This is a team journey, inquire of your student opportunities for family involvement. Many chapters host family events where members can share their fraternity/sorority experience with the ones they love.

Q: I have questions or concerns. Who can I contact?

A: For any questions and/or concerns, please contact Union & Involvement Services by phone at (660) 785-4222 or via email at fsl@truman.edu.

Alpha Gamma Delta has recently celebrated 30 years on Truman's Campus. In those years, our chapter has strived to live out the values of leadership, scholarship, service, and sisterhood. Our main philanthropies that we support are Feeding America and Meals on Wheels.

AGD has a yearly event called "Mac and Cheese With AGDs" where we raise money for our philanthropies by hosting a Mac and Cheese buffet for the Truman and Kirksville community to come and enjoy. Our local philanthropy is the I Think I Can Foundation where we help provide local children and families with food and other necessities they may need.

During our time as a chapter, we have been awarded the Jewel Society from AGD for the last 29 years. This means we were able to raise \$2000 or more for Feeding America and Meals on Wheels.

As a chapter, we also host weekly sisterhood events such as canvas painting, dinners in Ryle Hall, study sessions in the library, and chocolate fountain nights! The Alpha Gam sisterhood reaches across campus as our members participate in IMs, theater productions, Student Government, SAB, and more! No matter where we go on campus, we always have a sister close by.

The purpose of Alpha Sigma Alpha is to elevate the influence of women in the world. Our chapter promotes high ideals and standards for our members among all aspects of their lives by emphasizing balance among the four aims of intellectual, physical, spiritual, and social development. We have eight core values of balance, integrity, growth, generosity, enjoyment, responsibility, learning, and relationships. We have maintained the highest overall GPA in the Panhellenic Community since fall of 2021, earning us the Academic Excellence Award and President's Cup.

Our chapter received the Outstanding Community Relations Award through our work with our philanthropies: Girls on the Run, Special Olympics, the Alpha Sigma Alpha Foundation, and Puppy Love for Tally. We have members in leadership positions all over campus and tallied

over 1750 service hours in the last year. Members participate in Intramurals and were named Top Dog for our winning record. ASA was named Chapter of the Year for our outstanding efforts in the FSL values of scholarship, leadership, unity, and growth. Our sisters strive to "joyously live each day to its ultimate good" through our time we share together during sisterhoods, studying in the library, and making an impact all over Kirksville.

@dphietruman

Delta Phi Epsilon is an international social sorority, and the Zeta Beta chapter on Truman's campus puts persistent effort in upholding our values of justice, sisterhood, and love.

DPhiE is consistently involved in both on and off campus endeavors to improve our community; in Spring of 2025 we raised over \$2,100 to donate to Special Olympics and the American Red Cross, placing third overall in Philanthropy for Greek Week!

Our philanthropies are the Cystic Fibrosis Foundation, the National Association of Anorexia Nervosa and Associated Disorders, and the DPhiE Educational Foundation. Our sisters are dedicated to these philanthropic causes, raising over \$2,000 each year to donate in support of our charities. We raise money through events like our annual Spelling Bee, Pickleball Tournament, 65 Roses Gala,

and more! In everything we do, we focus on being loving and inclusive; we want our chapter to be a positive space for the entire FSL community. In Spring of 2025, our sisters were recognized for this hard work by receiving the Living our Values, Emerging Leader, and Chapter President of the Year award across the Panhellenic community. If our sisters aren't out on the quad on a sunny day, you can be sure to find a few grabbing some coffee for a study date in the library!

"The purpose of this sorority shall be to unite its members in the bonds of sincere and lasting friendship, to stimulate one another in the pursuit of knowledge, to promote the moral and social culture of its members, and to develop plans for guidance and unity in action; objects worthy of the highest aim and purpose of associated effort."

For 65 years, the Delta Sigma chapter of Delta Zeta at Truman State University has been driven by this purpose.

We continue to uphold our six core values of friendship, curiosity, generosity, citizenship, empowerment, and belonging by not only maintaining a strong sisterhood, but by being active members of our campus community.

Our philanthropic mission is Heart for Hearing and Speech, which enables us

to serve the Starkey Hearing Foundation, SeriousFun Children's Network, and the American Society for Deaf Children.

Sigma Kappa, Delta Theta chapter, is a group of women bonded through the values Friendship, Loyalty, Service, and Personal Growth. The philanthropies that we support are the Alzheimer's Association, the Maine Seacoast Mission, and the Sigma Kappa Foundation. Our national service projects are Gerontology and Inherit the Earth. This past year, we have raised over \$6,000 for our philanthropies. In 2023, the Sigma Kappa Delta Theta chapter won Truman State FSL's Academic Excellence awards.

As Sigma Kappa's, we love spending time with each other and building strong, lifelong friendships. This past year, we enjoyed sisterhoods painting flower pots, making vision boards, and picnicking at Thousand Hills. Our members love to get food together, go to member's events, participate in local community service, go to the REC together and dominate

in IMs, and support each other through whatever life throws our way. Our chapter is heavily involved throughout campus and everywhere you go, you will see a friendly Sigma Kappa face in the crowd. Our sisterhood is one like no other and wherever life may take us, we will always have Sigma Kappa in our corner.

Sigma Sigma Sigma Mu Chapter is a social sorority that strives to establish among its members a perpetual bond of friendship, to develop in them strong womanly character, and to impress upon them high standards of conduct. We embody our values of faith, hope, love, wisdom, and power in everything we do within the Truman and Kirksville communities.

Our philanthropy is the Tri Sigma Foundation, which funds grants that support March of Dimes and life-enhancing therapeutic play/child life programs at hospitals.

Our sisterhood initiatives consist of monthly hang-outs between members participating in various activities. This past year we enjoyed sisterhoods making personalized keychains, taking photos at a local pumpkin patch, and writing heartfelt Valentine's messages to each other!

Through our philanthropic events hosted, including an "all you can eat" pancake dinner, an Easter egg delivery service, and a fierce tournament of everyone's favorite recess games, we raised over \$3,000 for our philanthropy.

Our members can be found all around campus, from reffing games at the Rec, to leading campus tours for prospective students. The members of Tri Sigma love to stay active on campus, achieve high academic standards, and grow in our sisterhood!

The brothers of Alpha Gamma Rho like to do things related to agriculture.

One of our main service projects is working with the local ducks unlimited banquet. It is one of our favorite things to do and it works out well to get to know them better. This ties directly into our love for the outdoors.

We like going on hunts together and going on fishing trips. We are all about keeping a tight-knit brotherhood and love interacting with each other.

Alpha Kappa Lambda Xi Chapter is a tight-knit group of brothers who are guided by our five ideals: Judeo-Christian Principles, Leadership, Scholarship, Loyalty, and Self-Support. As the Xi Chapter, we are the fourteenth established chapter of AKL, and it's been our mission since our founding in 1953 to build men of character who are committed to making a difference in their community. Whether it's in the classroom, the dining hall, at chapter meetings, or just hanging out, we are always spending time together growing closer as brothers and growing as people.

Our major philanthropies are: These Hands Don't Hurt, which is dedicated to raising awareness for victims of sexual assault and domestic violence; and our Haunted Forest, an event we put on to raise money for the Food Bank for Central and Northeast Missouri.

At Alpha Kappa Lambda, we are committed to building bonds between brothers that will last throughout their entire lives.

@beta_truman

Beta Theta Pi at Truman State is all about the brotherhood. We have chapter dinners, brotherhood bonfires, Betamurials, and more to promote and build our brotherhood. We also help our members grow socially, academically, and philanthropically while here at Truman.

Socially, we host events with organizations across campus such as mixers, date parties, cook-outs, service events, and more.

Academically we strive by implementing an Academic Assistance program, where we provide weekly scholarship hours and help coordinate upperclassmen with new members of the same major.

We also raise money for the local community. Last year we raised over \$2,000 for philanthropies that benefit the community, through events like Trunk or Treats, Pop-Up Thrift Shops, and our Beta

Rose Pageant. We also love competing in intramural sports. Whether it's floor hockey, football, volleyball, or corn-hole, there is a spot for you to play competitively for the championship, or just for fun with other brothers.

In 2023 our chapter won the highest Beta Theta Pi award, the Knox Award, recognizing our chapter as one of the best in the country. We have won back-to-back homecomings in 2023 and 2024. Finally, we won the fraternity and sorority life Excellence in Risk Management award for the 2023-2024 school year.

Delta Chi (ΔΧ)

FOUNDING:

Local: 1978

National: 1890

COLORS:

MOTTO:

"Born Proud, Raised Proud"

@trumanstatedeltachi

Delta Chi is a staple organization at Truman State University. With the chapter house being just across the street from West Campus Suites, our property is enough to make an outstanding home away from home for the undergraduate members in the chapter. On the other hand, Delta Chi takes pride in more than just physical amenities. The chapter hosts a diverse group of men with various major interests; top that with participation in many activities on campus, and it creates a healthy melting pot.

An enormous amount of opportunities are available for those who want to take an active role in the fraternity or in other organizations; Delta Chi furnishes many leaders in other organizations across campus. Delta Chi consistently receives recognition for academic excellence and its intramural teams, philanthropic endeavors, and other programming.

The achievements of the chapter can be seen through our 2020, 2021, 2022, 2023, and 2024 President's Cup awards, Delta Chi's top honor, along with the 2021, 2022, and 2024 North American Inter-fraternity Conference awards of distinction, given to only 7 out of 6000 fraternity chapters. We also have received numerous accolades from Truman. Most recently, receiving awards for Outstanding Excellence in Academics, Risk Management, Community Relations, Brotherhood of the Year as well as 2022-2023 and 2024-2025 IFC Chapter of the Year.

Above all, the experiences and fun our members obtain are the most important advantages gained from being a Delta Chi!

@lambdachitsu

Lambda Chi Alpha is a social organization focused on inspiring and equipping men to lead a life of growth, service and leadership.

Lambda Chi Alpha envisions a world where the ideal man pursues a life of respect and inclusion for all, a world where we support and encourage one another.

We pursue service via our annual philanthropy event, Watermelon Fest, where we raise money for Feeding America through a week-long sorority pageant competition.

Beyond service, the brothers of Lambda Chi Alpha also like to have fun. This is demonstrated through our participation in intramurals and our brotherhood events. In intramurals, Lambda Chi Alpha has taken first in football, basketball, floor hockey, and soccer.

Lambda Chi Alpha is second to none in our efforts to change the world and our pursuit to help men reach their full potential.

@tsuphisig

Phi Sigma Kappa is a fraternity dedicated to promoting brotherhood, stimulating scholarship, and developing character. Here, we share a bond that lasts far longer than the undergraduate experience. This can be seen in our active and supportive alumni network.

Our alumni own and improve our house, employ the actives, help us sponsor events, and are always around to lend a hand. In addition to our alumni network, we have a national organization that offers training in leadership through several conferences all over the country, held throughout the semester.

We have study hours and hold each other accountable for our classwork – academics remain the most important part of the college experience. This is despite the diverse range of majors being pursued by our active members.

Our members strive to be the best men that we can be, and to lift each other up whenever needed. We highly value hard work and perseverance, and there is no shortage of either in our duties as members of this fraternity. When we aren't busy improving the house or socializing with other organizations, we love to play live music, hosting jam sessions in our chapter house to perform impromptu rock music whenever we feel the inclination.

Sigma Phi Epsilon is more than a group of campus leaders and model students, it is a family. SigEp is home to a diverse group of men united under the core values of Virtue, Diligence, and Brotherly Love.

The mark of SigEp is the Balanced Man, one excelling in their academic, social, and personal endeavors in the pursuit of achieving a prosperous, healthy life. Sigma Phi Epsilon is consistently recognized for its ability to create quality men through its Balanced Man Program and provide positive experiences that surpass all others.

SigEps are well-known for giving back to the community through local volunteering and philanthropic events, as well as succeeding in the classroom, raising over \$13,000 for Suicide Prevention in the past year, and maintaining a 3.4 chapter-wide GPA. Our chapter is also known for competing in numerous intramural sports,

receiving the award for most wins amongst organizations the past two semesters.

SigEp's lively alumni base recently contributed over \$1.2 million in funds to build a luxurious new chapter house, serving as the central hub for member activities and a place to study in their private classroom. This strong alumni base is key for our countless members that have secured summer internships in their future career fields.

Apart from their academic and professional accomplishments, SigEps can often be seen participating in numerous social events with other organizations or supporting their fellow brothers in one of their six varsity sports.

@sigtautsu

Sigma Tau Gamma, the oldest fraternity on campus, was chartered in 1921 as the Beta Chapter. We are proud of our rich and extensive history that allows us to have one of the biggest alumni bases on campus.

Our 100th year celebration recently brought together hundreds of "Sig Taus" to celebrate in Kirksville, a testament to the strong bonds we have formed over the years. Our vast alumni base can be extremely beneficial for networking, and it also provides ample scholarships under the Goetze Foundation to active members.

We put much importance into becoming better men and giving back to our community. Our national philanthropy is Special Olympics, in which we hold an annual fundraising event for it. We also do an annual event called "Giving for Good" for a local nonprofit called AM Housing where we collect donations for them.

We pride ourselves on our diversity and inclusion in addition to having a tight-knit brotherhood. Our members are also involved in numerous other organizations on campus like Interfraternity Council, AMSA, Club Tennis, Namaste Nepal, the Bike Co-op and many more. Most importantly, the experiences and fun our members have are key benefits of being a Sig Tau!
